ZERO TO ZOOM IN SECONDS

Tame the world with the exhilarating power of 218 PS generated by electric motor & engine in tandem. Live the thrill of Awesome with 221 Nm torque.

2.5 LITRE DYNAMIC FORCE ENGINE.

EXHILARATING POWER AND PERFORMANCE

RESPONSIVE POWER

The Camry self-charging hybrid electric technology works in total synergy to deliver a seamless & powerful acceleration in sports mode & a more responsive torque exactly when you need it.

QUIETER DRIVE

Compared to conventional cars, the Camry can run on the electric motor alone, giving you a near-silent driving experience and an absolutely tranquil cabin ambience.

LOWER EMISSIONS

The Camry produces up to 2 tonnes lesser CO_2 per year than an equivalent car in the same class.

UNMATCHED FUEL EFFICIENCY

Intelligently designed with 2 power sources, Toyota Camry promises fuel efficiency like no other.

NO CHARGING INFRA REQUIRED

When the battery does run low, excess power from the engine charges it back up again, keeping you going. Plus, the action of braking recycles energy to charge the battery, wasting nothing.

TNGA Toyota New Global Architecture

In constant search for improvements, TNGA aims to achieve the fundamental vehicle platform to enhance overall driving experience, uniting the driver and the vehicle.

EXPERIENCE TOYOTA NEW GLOBAL ARCHITECTURE

Natural beauty styling and a sedan package that provides an interior space that is just right in all seats.

Low hood for forward visibility promotes ease of driving and provides ideal driving experience that combines leading fuel economy and acceleration performance.

Exhilarating driving performance with a fully direct feel provides a high-quality ride through a lightweight, high-rigidity body and independent suspension with class-leading levels of quietness.

LIGHTWEIGHT HIGH-RIGIDITY BODY

DOUBLE WISHBONE INDEPENDENT REAR SUSPENSION SYSTEM THAT PROVIDES HIGH-QUALITY RIDE COMFORT

Let your drive reflect your taste for Awesome. Designed to enthrall, the Camry features a dynamic, sleek body with masterfully-crafted luxury accents. This makes it an unmissable presence on road.
