UNMATCHED UNRIVALED

The Innova Crysta has been India's favourite family car for over 15 years. It has been followed by many, but matched by none. Its power, comfort and safety are unparalleled and part of automobile folklore.

Now the legendary Innova's capabilities are further enhanced with an imposing new front silhouette that gives it a bold stance like no other. The new Innova Crysta also gets stunning diamond-cut alloy wheels that project elegance. In short, the new Innova Crysta is in a league of its own.

Distinctly designed, its exterior body lines are only a prelude to the luxuries that's inside. Nothing can prepare you for the unbelievable space and plushness of its luxurious cabin.

Replete with cozy, leather[#] reclining seats that give you more legroom, and ride quality that's second to none, the new Innova Crysta is truly beyond compare. Add to that its raw, yet refined power delivery and you have a car that gives you a truly unmatched and unrivaled travelling experience.

UNRIVALED PERFORMANCE

The new Innova Crysta has oodles of power under its hood, yet is unwaveringly efficient. And that's not all. It also offers refined driving dynamics for a smoother, more surefooted ride thanks to its robust chassis, sturdy suspension and slick transmission.

ECO & POWER Drive Modes

ECO mode for optimum fuel economy and
POWER mode for sharper acceleration response

Powerful GD Diesel Engine

The new Innova Crysta is powered by a GD diesel engine with further evolved low-speed torque. It has improved fuel economy while torque in the low and medium speed ranges have been considerably increased.

Improved Suspension with Pitch & Bounce Control

Keeps cabin movement to a minimum and maintains a smooth ride on rough roads

UNMATCHED SAFETY

The new Innova Crysta is not only powerful and comfortable, it's safe too. Because, at Toyota we give your safety the utmost priority.

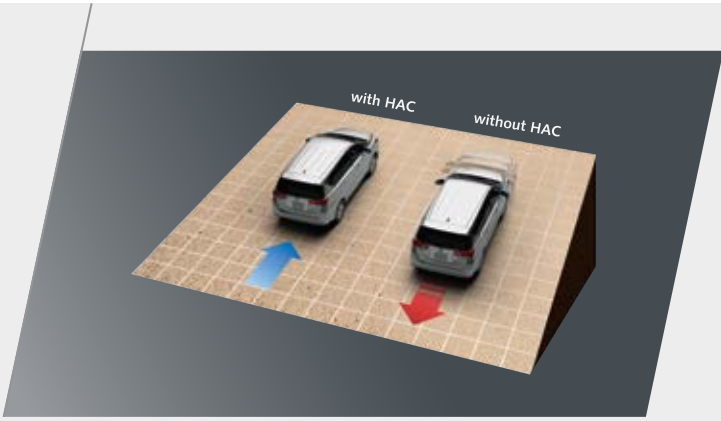

The new Innova Crysta protects you and your family with 7 U SRS Airbags^{##} during any unforeseen event. Vehicle Stability control, Anti-lock braking, electronic brake force distribution, brake assist and the like ensure safety and stability even while high-speed braking.

The tough chassis and the acclaimed GOA Body keeps body roll to a minimum and ensures maximum protection by evenly distributing any impact on the car throughout the body of the car.

Vehicle Stability Control

Automatically controls both vehicle brakes and engine output during over steer or under steer while the vehicle is making a turn, ensuring vehicle stability

Hill-start Assist Control

Automatically controls the brakes suppressing vehicle rollback when starting off on a slope, reducing the burden on the driver

Anti-lock Braking System

Prevents wheels from locking and enables greater manoeuvrability and steering control

GOA Body

High strength body structure that effectively absorbs impacts and distributes it evenly during unforeseen collisions, thereby reducing passenger and pedestrian injuries
