

# ENVIRONMENT POLICY

As a responsible organization, we at Toyota Kirloskar Motor Pvt. Ltd. firmly believe in the philosophy of “Respect for the planet”.

Also understanding the environmental threats, posing the industry and mankind, the “Toyota Environmental Challenges 2050” forms the base of the mid to long term commitment towards Environmental Protection.

Hence, we reaffirm our commitment, to contribute to the society by ensuring Environment protection, throughout life cycle of our Products, Operations and Services.

## To realize our commitment, we shall aim to:

- ◆ Quantify & Reduce Green House Gas emission across the Value chain & Life Cycle, by Promoting cleaner technologies and processes.
- ◆ Conserving water resources with the objective of achieving water neutrality.
- ◆ Optimizing material usage, minimizing waste and enhancing/improving recyclability.
- ◆ Looking beyond environmental compliance obligations towards realizing the real intent of preserving the environment.
- ◆ Promoting biodiversity conservation & supporting community environment initiatives.

TKM commits to engage with all stakeholders (Team Members, Suppliers, Dealers, Customer, Contractor, Community...), to create eco consciousness, and to motivate and inspire them to achieve Environmental sustainability. We shall strive to achieve these objectives to realize our dream of “Living in Harmony with Nature”.
